

**NEW – 30 hours per week term-time free child care:**

All 3 and 4 year olds are entitled to 570 hours (15 hours a week) of free government-funded childcare per year. However, **from September 2017**, children of working parents will be entitled to an additional 570 hours per year (ie. 1140 hours of free childcare per year or 30 hours of free childcare per week).

Please see below if you are entitled to 30 hours a week free funding and tick below if you think your child is eligible

I believe my child is eligible for 30 hours a week free government-funded childcare

**To check to see if your child is eligible for 30 hours please go to the following website:**
