Not on track	2 33%	3 50%	3 50%	2 33%	2 33%	3 50%	50 50%

Some Recognised Barriers:

- Parental engagement, support at home and educational aspirations
- Lack of access to online learning and parental support during school closure
- Low levels of oral language and vocabulary which impacts on children's access to all areas of the learning and the curriculum
- Social, emotional and mental health issues that could impact on academic progress
- Low attendance rates; consistency in attendance, including lateness which impacts on progress due to missed/part sessions
- Difficulties at home (Eg involvement with Social Services, CP Plans, CIN plans, LAC and history of domestic violence, limited support from home) and require additional support.

Attendance for children in receipt of EYPP:

Attendance Rates	Children in receipt of EYPP	Non EYPP children
2021 - 2022	79.04%	85.31%
2020 - 2021	90.6%	92.2%

2018 - 2019	90.9%	84.8%
2017 - 2018	91.4%	85.23%

Desired Outcomes:

- Children in receipt of EYPP continue to feel safe and happy at the nursery and have the opportunities to talk about any worries/difficulties they have
- Practitioners will identify and support the individual needs of children in receipt of EYPP.
- To ensure all children receiving EYPP make expected good progress based on their starting points.
- To ensure that children who need to make accelerated progress are identified and interventions are put in place.
- Quality learning and teaching occurs in all of the provision at Gloucester Nursery School.
- Learning environments indoors and out continue to promote language and vocabulary and all children have opportunities to access to this
- Continued engagement of families.
- Attendance rates improve to in-line with national expectations of 96%
- To narrow the gap between children's attainment.

Measuring the impact of EYPP:

The Headteacher will monitor the progress of EYPP children regularly from the tracking data (once a term). Discussions with Family Workers regarding the interventions children are receiving and the impact they are having on the children's progress are adjusted accordingly, interventions are monitored to ensure that they are supporting children's progress.
