As we go into the final term of the year we are hoping for some sunnier weather. Please ensure that your child has sun-cream applied before they arrive at Nursery along with more in their bag for a top up in the day. A sun hat is also really important. Staff always monitor children on hot days ensuring they seek shade, undertake a quieter activity if they are becoming too hot, and that they are drinking plenty of water.

More information on Sun safety can be found here-

Job Vacancies – we have 2 job vacancies at the Nursery currently – please spread the word if you know an excellent early years professional that you think would suit our nursery setting.

We wish everyone a wonderful half term break and look forward to seeing you back in nursery on the week of the 1st June.
