

Tasty Thursday at Gloucester Nursery School

Over the next few weeks, all the children in the Nursery are having the opportunity to have a fun cooking session. Parents are also invited to come along and join in the experience.

The photos below show the children making apple muffins – they all look as if they are future “Great British Bake Off” winners!

Izzy commented:

“It is icky and sticky on my fingers”

Jayden:

“I want to use the grater next”
