

Allotment celebrations at Nursery!

Following a successful trip to the local allotments, the children invited Bill and John into the Nursery on Wednesday 22nd October

to thank them for their time and for making them most welcome on their visit.

The children sang various autumnal/harvest songs to Bill and John and presented them with a clay autumn sculpture. Bill and John were thrilled with the gift and intended to take it along to the Allotment AGM to show the other gardeners'. The children then took their guests into the Nursery garden, showed them our "allotments", our scarecrows and gave them a tour of the Nursery garden.

Thank you once again to Bill and John! We look forward to our next visit.

Children's Comments on Allotment celebrations

Jayden explained:

"Mummy cooked my carrot, it was big"

John had given him a carrot at the allotment.

Rhys showed his picture:

"It's a carrot, just like the one you showed us."

Dalkeerat:

"We showed them our garden. When we went to the allotment we sawd (Dalkeerat's word) some strawberries. They were happy cause they liked our garden."

Autumn:

"Bill and John played with us."
