

Diwali at Gloucester Nursery School

Recently the children at Gloucester Nursery School celebrated Diwali a Hindu festival celebrating the New Year. Diwali is one of the largest and brightest festivals in India.

The children participated in a variety of activities – making candles, making rangoli (patterns made out of rice and sand), barfi (sweets), chapatis, listening to Indian music and were able to sample an assortment of Indian snacks. We were very privileged to have a parent join the afternoon children who helped both children and staff dress in sarees and take part in Indian dancing. A fun time was had by all.

Happy Diwali!
