

Food Bank Article

Gloucester Nursery School has supported the Food Bank during the Christmas period for the past 3 years. The Food Bank provides local families and individuals with essential food supplies at a time when they need them most, covering the days or sometimes weeks before other parts of the social care infrastructure can come into play.

During the week leading up to Christmas the children, their families and the staff at Gloucester Nursery School donated items for the local Food Bank which were kindly collected by one of the volunteers from Towcester Road Methodist Church in Far Cotton. The staff would like to thank the families for their generosity.
