

World Book Day Stay and Play

The children and adults put on their favourite book character costume to celebrate World Book Day, and we had visits from everyone from Red Riding Hood and Goldilocks to our favourite superheroes. Everyone looked fantastic! Everyone enjoyed participating in book-themed activities today and we even listened to some of our favourite stories in a tepee. Nursery was buzzing with conversation, adults and children were enjoying telling stories and becoming their favourite story characters. The witch from 'Room on a Broom' lent us her magic cauldron so that we could make marvellous potions and some of us even made our own books. We also got to make our own Gruffalo cake, this was sticky work but they tasted great! After a busy session, everyone joined together to listen to a story. We were really lucky because we had some of our parents tell us their favourite story or teach us some words in another language; we sang a song in Polish and learnt some French vocabulary. At the end of the day, we all went home with our book token, looking forward to buying a new book to share with our families.
